

RECENT OPERATIONS

By Paul Rardin

I was informed by one of the Pahokee policemen that the initials P. P. D. on their shoulder patches had nothing to do with the power company or its manager. It was pointed out to me that the initials stand for Pahokee Police Department. Why didn't I think of that?

Uncle Sam's red, white and blue banner waves daily over the Standard Oil plant in Canal Point. The genial Manning Keen is responsible. I believe I'm right when I say it is the only regularly flown American flag in Canal Point.

There has been a black pepper shortage—or had you heard? I was amused yesterday morning when the restaurant proprietor slid a box of something out in front of me with the following on the label: "Imitation Black Pepper. Contains soya, parts of wheat, capicum, grains of paradise, pepper, cardamon, artificially flavored with oleo resin capicum, roasted rye bran flour, clove oil, refined soya bean oil, other essential oils and commercial racemic limonene, parts of cotton seed and wheat flour." It tasted a little like black pepper.

Speaking of substitutes. Here's one used by the Belgians when there is a shortage of tea: a mixture of finely chopped leaves of the strawberry plant, hazel tree, raspberry bush, mulberry tree and a variety of blueberry plant. I wouldn't know whether it tastes like tea or not—but it's a drinker and not having had occasion to sample this substitute.

One of my advertisers called the other day and raised the very devil because we ran his classified ad twice instead of once. The first time came within an inch of swamping him with would-be purchasers, he said. And, when he ad appeared the second time, he almost had to lock the door to keep out prospects. Which all goes to prove something or other. I'm modest. You guess what it proves.

Here's Rule To Take Black Bass

It doesn't make any difference what it says on the back side of your fishing license—you can't take black bass from March 1 through April 30. The season has been changed, rechanged and changed again through the years and fishermen haven't known half the time when they could take bass—if they were lucky enough to take 'em. Anyway, to be on the safe side, restrain yourself from taking them from March 1 until May 1. That's what the game warden said.

Phone Company Lays Okeelanta Cable

The Southern Bell Telephone company has completed installation of a cable from South Bay south along Road 26 to the Okeelanta Growers plantation. The new cable carries 200 pairs of wires and has been placed 40 inches under ground. A ditching machine was used to dig the ditch for the cable.

ON HONOR ROLL

SHORTER COLLEGE, Rome, Ga., Miss Eleanor Chastain, of Canal Point, now a Junior at Shorter College, has recently been named on the Honor Roll of the college for her work during the first semester of the present year.

Scouts Bear Down On Law Violators

Members of Pahokee Boy Scout Troop 23 celebrated Boy Scout Week in a big way by laying down the law to local residents when they were given the run of the city on Wednesday of last week.

No sooner had they pinned on the badges and donned their oversized caps as acting city officials than they became a bunch of eager beavers in search of violators of city ordinances. Sharp eyes catalogued the speed of motorists, kept watch over parking markers and investigated sanitary conditions of business houses. By evening Scout Jack Chiviges, acting police chief, and his deputies had bagged some 40 law violators, including the mayor who was charged with speeding and a couple of cops, one charged with illegal parking and another with having gambling devices on his possession.

At the municipal court with Scout John T. Pickett, Jr., acting mayor, seated as judge, all but two of the 40 celebrated their bonds. The two who elected to argue their cases in court included one of the cops who was cleared of the gambling charge and a store manager who was found guilty of failing to correct an unsanitary condition at the rear of the store.

Blue Devil Cagers On Winning Streak

The Pahokee High School Blue Devil Cagers again found their stride the past week when they scored four victories in as many games. Away from home the first of the week they beat Stuart, 41 to 34. On the local court they won from Vero Beach in a close contest, 32 to 31, from Boynton Beach, 35 to 31 and from Redlands, 29 to 23. Of the 16 games played by the Blue Devils this season they have won seven and lost nine and the team is showing marked improvement in playing form as the season draws near an end.

A big crowd is expected at the gym this Friday night when the Blue Devils play the Belle Glade Rams in the last home basketball game of the season. This will be a double-header with the girls teams of the two schools playing the preliminary contest. On Monday night, Feb. 25, the Blue Devils complete their schedule in a game with Boynton Beach there.

The Blue Devils will participate in the Class B, District A Basketball tournament at Fort Lauderdale, Feb. 28, Mar. 1 and 2. For their initial tournament contest they are bracketed to play Fort Pierce on Thursday, Feb. 28, at 7:30 p. m. Handicapped by the under-sized court at the local gym, the Pahokee cagers will practice for the tournament on a standard size court in West Palm Beach on Tuesday and Wednesday.

Kyle Hatfield is high point man for the Blue Devils, running up 147 points in 13 games so far this season. Wilbur Geiger is second high, with 93 points in 12 games. The work of Donald Smith, center, in nabbing rebounds and converting them into baskets has also been outstanding this season.

Corporal Ralph Mackey returned Jan. 29 from the Philippines after 22 months' overseas. Ralph has been in the service a total of 33 months. He is now stationed at Blanding where he is hospitalized and hopes to be back in good physical condition within three or four months. He spent a couple of days in Pahokee this week with relatives.

National Meet Of Vegetable Group In Palm Beach 1947

The annual convention of the National Fresh Fruit and Vegetable Distributors will be held in Palm Beach Jan. 13, 14, 15, 16, 1947, according to an announcement made this week by Roy Segree, president of the Everglades branch. Mr. Segree and members of the local organization are deeply gratified that their efforts have culminated in success and that directors and officials of the national organization have decided to hold next year's annual convention in Florida. The Palm Beach Blimpore will be official convention headquarters, Mr. Segree said. It is expected that between 1,000 and 1,500 members of the organization will be in attendance.

Funeral Held For Mrs. Julia Banedt

Mrs. Julia Roell Banedt, 66, died Tuesday morning, Feb. 19, at the home of her brother, Gus Roell, in Port Mayaca where she had lived for the past 20 years. She was a member of the Pahokee Chapter, Order of Eastern Star, and formerly was active in community garden club work.

Also surviving is another brother, Thomas Roell, of Port Mayaca. Private funeral services were held at her home on Thursday afternoon at two o'clock with members of the Pahokee Chapter, Order of Eastern Star, in charge. The body was sent to Miami for cremation. Berry's Funeral Home of Pahokee was in charge of arrangements.

Huge Plant At Lake Harbor Nearly Done

The City Ice & Fuel Co. pre-cooling plant at Lake Harbor is nearing completion and will be in operation within the next three or four weeks. Twenty-five carpenters were laid off last week but they are still working a crew of 100 men. The heavy machinery is all installed and finishing work rapidly drawing to a close.

The plant is located on a 14 acre plot adjacent to the Atlantic Coast Line Railway tracks at Lake Harbor. It has a capacity of 150 tons of ice per day and the pre-cooling system is capable of pre-cooling 25 cars of fresh vegetables daily.

The plant was built at a cost of \$250,000. An identical plant will be put up at Belle Glade as soon as the Lake Harbor plant is finished.

7 More World War Veterans Join Legion

Seven more war veterans were received as members of the American Legion Fred and Percy Mansfield Post 90 at a meeting in the city hall last week. They were Edward A. Jensen, Doss Tabb, J. D. Watson, John S. Harrington, Jr., Robert M. Sanders, Melvin D. Spooner and John E. Wilson. Mr. Wilson became a member through transfer of his membership card from the Fort Lauderdale Post. The local post now has approximately 100 members, 60 percent of whom are veterans of World War II.

The group completed plans for preparing a booth at the Pahokee District Fair for the display of military souvenirs brought home by returning veterans from overseas areas of operation.

Philip Allen Dulany has been ill with the measles at his home this week.

B. Elliott Opposes State's Plan To Grow Ramie In Glades

Recent release of information from Tallahassee to the effect that the State of Florida plans to plant an additional 1500 acres of ramie in the Lake Region has brought a storm of protest from the farmers in this area. They are of the opinion that ramie growing and its profits—if there are any—should go to the farmers who have pioneered this area instead of being gobbled up by the State. Competition of the State in the farming business has hit a sour note in the rich Everglades section of Palm Beach county and reverberations are sure to come in the not too distant future.

State Representative B. Elliott of Pahokee has been accosted by many farmers who are anxious to find out just why the State is becoming so interested in entering the farming business in competition to the farmers who pay the taxes to operate the State. Mr. Elliott issued the following statement: "I am unalterably opposed to the State entering into the farming business or any other business that furnishes direct competition to those who pay the tax load in Florida."

Mr. Elliott didn't mince words in issuing his statement and folks in the Glades can immediately find out where he stands on the subject of the State going into business in competition with the taxpayer.

B. W. Wood Seeks Job As Police Chief

B. W. Wood, former Pahokee policeman, this week announces his candidacy for chief of police in the forthcoming election scheduled for May 7. Mr. Wood in his official announcement states that he has had many years experience in law enforcement and feels himself qualified to hold the job as Pahokee police chief.

Mr. Wood served 14 months with the Pahokee department under Chief Albert Gant. Before taking the police job he was employed by the sugar company and is back there now as night watchman at the Azucar plantation.

Mr. Wood was born and reared in Georgia where he had experience as a policeman before coming to Florida to make his home. He also had experience as a convict guard in his home state. He is a member of the Baptist church, married and lives in Pahokee.

Canal Point Pastor Announces Revival

The pastor of the Canal Point Baptist Church announces plans of the forthcoming Revival which will begin Easter Sunday, April 21, and close May 5. It is hoped that this first Sunday in May, the closing day of the Revival will be a great day of homecoming for all people ever having been affiliated with the Church. The pastor will greatly appreciate it if you will give him the names and addresses of all folks whom you know who were once members of the Canal Point Baptist Church but have moved away. In addition to May 5 becoming a great homecoming day, it is also being planned that on that day the Church mortgage will be burned in a great dedication program wherein former leaders of the Church will appear as speakers, preachers, etc. Keep watching this paper for more announcements and definite plans.

Mr. and Mrs. George O. Schroder of Philadelphia, Pa., arrived in Pahokee this week for a visit with his brother and sister-in-law, Mr. and Mrs. R. J. Schroder.

Pahokee Band Will Give Concert At 3:30 P. M. Feb. 24

The 44-piece Pahokee High School Band, under the direction of Bandmaster Robert O. Lampi, will give its second free concert of the winter and spring series in the high school auditorium on Sunday, Feb. 24, at 3:30 p. m.

Featured on the program will be Buchtel's "Crusaders Overture," which is a required number for Class C bands to be played at the music festival and contest for school bands at St. Petersburg in April. Also featured will be a trombone solo by Ray Hawk and two clarinet duets by Eddie Hodges and Milton Carpenter.

The complete program is as follows:

Band	
Hosts of Freedom March	King
Dublin Holiday Overture	Buchtel
Liberty Bell March	Sousa
Trombone Solo	Ray Hawk
Stupendo	Brahms

Band	
His Honor March	Fillmore
Circus Parade	Yoder
London Suite	Yail
Hold 'Em Harlem	Frankig
Boogie March	Moffitt
Under Arms March	Hayes
Clarinet Duets	Eddie Hodges
and Milton Carpenter	
Merriment Polka	Barnard
Pepperino	Endresen

Band	
King Cotton March	Sousa
Crusaders Overture	Buchtel
Black Mask March	Hayes
Star Spangled Banner	Yoder
arrangement	

Wanted A Hamper Of Beans, Nearly Got Two Carloads

One afternoon last week the Lake Region bean buyers were huddled around a hamper of tendereens on the Pioneer platform in Belle Glade. It was the sample from a two-car lot. Bidding wasn't any too spirited. The beans weren't any too fancy and when a stranger stepped into the bidding circle and bid \$2.35, the other buyers stepped back and started for another packing house and another sale.

Before all of the buyers had left the platform they were called back and asked to bid again on the beans. It seems that the stranger thought he was buying a hamper of beans and wasn't aware that when he bid \$2.35 and the auctioneer knocked them off to him that he had bargained for two carloads. It is needless to say that he was completely surprised when told that he had bought the entire lot. After a good laugh the buyers came back and the beans were resold. This time the stranger didn't bid.

Jack Bell Speaks At Foot Ball Fete

Jack Bell, Miami Herald feature writer, was guest speaker at an oyster and chicken fry and outdoor party given for members of Pahokee and Belle Glade High School football squads at the Sam Chastain Ranch near St. Lucie Canal on Thursday night of last week. The speaker told of some of his experiences overseas as war correspondent in World War II.

Pahokee and Belle Glade Lions were hosts to some 150 guests. Rupert Mock, Jimmy Wilson and Steve Brown were on the committee in charge of general arrangements. The chickens were cooked by Marvin Levins, Pahokee fire chief, assisted by Joe Hatton. Shelly Connell, M. Mosely and Jimmy Wilson fried the oysters.

Veteran Ships Anchored In Florida

Hundreds of Uncle Sam's fighting ships, veterans of Pacific and Atlantic engagements against the recently-defeated axis foe, are now lying at anchor in the quiet waters of the St. Johns river at Green Cove Springs. They have earned their period of rest in the peaceful waters of Florida's largest river after many months of distinguished service in the navy.

The quiet town on the west bank of the St. Johns is awakening to the sound of new construction to care for the estimated 60,000 sailors who will be stationed there. The biggest boom in Florida has struck Green Cove Springs.

Now that it is easier to take trips, we recommend a trip to Green Cove Springs, and especially across the Shands bridge. A panorama of vessels large and small, may be seen there that resembles war photographs of huge task forces on the move. More navy vessels are being anchored there than this state ever had before in her 100-year history.—Titusville Star-Advocate.

New Water Source For Belle Glade

Residents of Belle Glade are getting a change in their drinking water. Ever since the water system of the town was installed, consumers have been drinking water pumped from the canals. They will now get fresh water from Lake Okeechobee.

Expert water testers in this section claim there is a decided difference in the taste of the canal water and the lake variety. Installation of pumps at the dike have been completed and connections made with the local water system.

Until the new treating plant is put into operation, the water will be carried through the old canal-water treating plant. Frequent stoppages of service which have resulted from using the canal supply are expected to be a thing of the past now that the lake supply has been tapped. Plenty of reserve water may be kept in the two city tanks at all times. At an expense of \$23,000, a new extension is being laid between the water plant now under construction and the two water tank towers. A considerable quantity of pipe for this purpose has already been contracted for.

BIBLE CLASS

Next Sunday will find the teacher of the Pahokee Men's Bible Class, Rev. C. A. Moberg leading in the discussion of the most timely subject "Our Nation and Its Homes", as found in Deut. 6:4-12. A special program of music commensurate with the lesson will be presented by the Class Quartet, Messrs. Spooner, Wood, Butler, Cowart and Grimes (alternate). By special request, the song "I'd Like To Hear My Mother Pray Again" will be repeated. Seventy one were in attendance last Sunday. A record breaking attendance record has been set for Easter Sunday, April 21, at which time the class will meet in the new building now under construction. An announcement of interest to the returned service men will be made this Sunday. A most cordial invitation is extended to all unaffiliated men of the community, visitors and service men, in and out of uniform. The class meets each Sunday at 9:45, Lions Building.

THE OLD JUDGE SAYS...

HENRY: "I've heard that same thing several times lately... that alcoholics are really sick people. It was news to me. Do you agree with that statement, Judge?"

OLD JUDGE: "Yes, it's true, Henry. It's no notion of mine... it's a statement made by scientists who have studied the subject."

HENRY: "What did they find out, Judge?"

OLD JUDGE: "Well, as a result of their medical research, they found out that approximately 95% of the people who drink, drink sensibly. 5% do so unwisely, at times.

Included in that 5% is the small percentage known as alcoholics."

HENRY: "But why are they called sick people?"

OLD JUDGE: "Because it has been discovered that, in many cases, excessive drinking is a symptom of some physical or emotional maladjustment... not the cause of it."

HENRY: "Now I understand it, Judge. I am glad to hear of the modern approach to this problem and that so much is really being done to help these folks."

Life On The Campus

AT PAHOKEE HIGH SCHOOL

Mrs. Rex Todd Withers, State
 Department of Education, Tallah-
 assee, Florida, and J. G. Smith,
 District Supervisor of Agriculture,
 visited the school February 12 in
 the interest of "A Better Farm
 Living Program." Mrs. Nason en-
 tertained the visitors with a lunch-
 eon in the Home Economics De-
 partment. Other guests were Mrs.
 DuBose, Mr. DuBose, and Mr. Cau-
 dill. After classes Mrs. Withers
 and Mr. Smith met with the high
 school faculty to discuss results
 of a survey made by Mrs. Nason
 and Mr. DuBose on factors of
 health, nutrition, conservation,
 homes, and home surroundings.
 The school has adopted a three-
 point program to encourage home
 gardening, home canning, and
 planting citrus fruit trees.

The Library has received the
 Memorial Plaque honoring the
 memory of Bill Baker, Ross
 Bleech, Elisha Coleman, Hubert
 Geiger, Bill Howell, Albert Lane,
 Roy Majors and Jack Tidwell, pic-
 tures of whom surround the plaque.
 The public is cordially invited to
 view the plaque at any time.

The Seventh Grade welcomes
 Elizabeth Justice from New Jersey
 to its classes.

The school, always proud of its
 excellent band, invites the public
 to its Sunday afternoon Band Con-
 cert, Feb. 24, at the school audi-
 torium, at 3:30. And with the in-
 vitation is included a hint on the
 quality of the program in the form
 of a card (typical of messages re-
 ceived since the Band's appear-
 ance in Flagler Park, West Palm
 Beach) from a resident of Lake
 Worth addressed to Director
 Lampi and Members of the Band:
 "I attended the band concert at
 West Palm Beach, Feb. 3, and
 want you to know that your num-
 bers were well rendered and I
 heard so many compliments from
 the people near me that I felt I
 must write and let you know that
 your efforts are appreciated. Do
 come back."

Friends of the school are invited
 to school assembly Friday after-
 noon, Feb. 22 at 2 o'clock, for the
 Washington Program.

SUNSPOTS

(By Breezy)

The Boy Scouts had us all tied up last week but we managed to raise the buck and are now as free as a taxpayer. That was a real "Police Force"—they mowed people down to their normal size and hung tickets on some forty odd "bond jumpers". The boys completely upset the city's drowsy and methodical way of conducting business and although the "regulars" looked upon them as a general nuisance, we believe they had as much fun as the boys did.

There has been so much going on around Pahokee the last couple of weeks that most people have forgotten how to spend a quiet evening at home. It started off with what was billed and ballyhooed as a circus and rodeo—it was everything else but. We would have billed it as a "Dog Show in a Brown-Out". The ex-soldier boy, on the tight wire, was pretty good. The clown was not as good as the ones we have in Pahokee. The payoff came when the lady practically hung herself trying to do a rope act.

The Fair turned out to be a much better class of show. Just about everybody took a little of that in—including the one gal show down in the last tent. Everybody got a chance to spend as much money as they wanted to.

We understand that the reason that things have slowed down at the new playground is because; the Recreation Council decided to put on the brakes and let Father Time take over for a while. They seem to think he is the man to rectify the problem of too much interference, caused by singular ideas. However, that has not put a stop to things because the Woman's Club and the B & P Woman's Club have launched their programs for raising funds for the barbecue pits, and when the wimmin decide we will have barbecue pits, we will have barbecue pits. The Woman's Club is selling chances on an electric stove and a vacuum sweeper to raise their part of the funds. The B&PW Club lined up a bunch of "fish" for a chicken supper and bingo game, the other night, and did alright in their part of raising funds. We will have the best park in the Glades by summertime.

We saw a news item in the paper stating that "Bud" Davis was seeking a council seat. We have been seeking his seat ever since, the closest we have been able to get to him is the width of a twenty acre block of beans. We do not know where he is now or where he has been or where he is from, we will let you know as soon as we catch him. Someone said he was from Georgia but we are sure he is a citizen. (The reason everybody tries to kid Georgia folks is because they are so good natured).

"Calvin" Coolidge" McClure does not choose to run again this year. Well, Mayor McClure, you have done a good job, in your own quiet way. In these last two or three years, nobody could do nothin' about nothin'—we hope you did not become discouraged—we appreciate what you have done and tried to do.

Carmen Salvatore will be a candidate for re-election as a member of the county school board. He is the man behind the cigar and dark glasses.

Albert Gant has qualified for the Marshal's race. We have him under investigation now, the report will come later.

SPECIAL SERVICE AT NAZARENE CHURCH

Rev. C. H. Strickland, District Superintendent, will be the guest speaker at the-Pahokee Nazarene Church Sunday evening, Feb. 24, at 7:30. Everyone cordially invited.

Intermediates Name Class Officers

Intermediate girls of the Pahokee Baptist Sunday School met at the home of their teacher, Mrs. Horace Unwin, Tuesday afternoon and elected the following officers: Patsy Jensen, president; Wynell Jensen, vice president; Christine Unwin, secretary; Vera Keen, social chairman. Plans were discussed in regard to enlarging the class. Following the business session Mrs. Unwin served refreshments to the following:

Wynell Jensen, Patsy Jensen, Elizabeth Claridy, Elsie Stamps, Vera Keen, Joanne Chastain, Nanette Acree, Christine Unwin. Janette Mathis was visitor.

BPW Club Holds Supper, Bingo Party

Members of the Everglades Business and Professional Woman's Club held a chicken supper and bingo party at the Woman's Club building on Tuesday evening. Some 50 guests were present. Chairmen and committees in charge of the affair included Clark Hull, entertainment; Tommie Lee DuBose, Marian Clause and Luke Fraser, bingo; Lucille Williams and Izzetta Kautz, decorations, Alma Farrow, dinner arrangements.

It was announced that a B&PWC business meeting will be held on Tuesday, Mar. 5.

MEN WHO KNOW HOW to Run a Railroad

Over 430 members of the Florida East Coast Railway's personnel, or more than 15 per cent of its normal working force, have a record of 25 years or more continuous service with this organization. Several hundred additional have been with the East Coast in excess of 20 years.

The heads of its various departments, the crews that run its trains, the men who maintain its tracks, roadbeds, signal systems and equipment, are seasoned veterans in their line of work. They have that valuable "know-how" that comes only with long years of experience.

This accounts to a large extent for the Florida East Coast Railway's excellent wartime performance, and for its remarkable safety record of not a single passenger fatality, due to train collision or derailment, for over fifteen years.

The men and women of the East Coast like their work. They enjoy living in Florida, are your fellow-citizens and neighbors. They have seen the East Coast of Florida grow and are anxious to render the kind of efficient, friendly service that will aid in the continued progress and development of this section.

Births

Mr. and Mrs. I. Marshall Lair of Pahokee announce the birth of a daughter, Dorothy Emmaline, at the Everglades Memorial Hospital on Sunday, Feb. 17.

Mr. and Mrs. Edgar M. White of Pahokee announce the birth of a son at the Everglades Memorial Hospital on Valentine's Day, Feb. 14.

Eastern Stars Hold Meeting

At a meeting of the Pahokee Chapter, Order of Eastern Star, in the Masonic Temple on Thursday night at last week Mrs. Hulette Denton was presented with her credentials as grand representative of the Grand Chapter of Florida to the State of Virginia. The presentation was made by Mrs. Dorothy Graham. Mrs. Aleese Cherry, junior past matron, was honored at the meeting and Mrs. Ruth Stein, a visitor from the Belle Glade OES Chapter, was presented with a gift from the Pahokee Chapter.

Following the business the group held their annual Valentine party with Mrs. Gladys Harrington in charge of arrangements. Contest prizes were won by Mrs. Ruth Carpenter, Mrs. Mabel Young, Mrs. Jessie Barnes, Mrs. Edna Barrett and Mrs. Dorothy Graham. Mrs. Esther LeFils, worthy matron, acted as hostesses during the serving of refreshments of sandwiches, cake and tea.

YOUNG PEOPLES PARTY

The Young People of the Canal Point Baptist Church were entertained with a party on last Friday night by Mr. and Mrs. E. E. Gibson at their home. The Valentine motif was carried throughout the party. Various games were played in keeping with the Valentine theme. Mrs. J. R. Heller and Venera Weeks were awarded contest prizes.

Dwight Rogers Issues Statement

Congressman Dwight Rogers of Fort Lauderdale, who will be re-nominated by the Democratic party in May without opposition, issued a statement last week in which he expressed his sincere thanks for being returned to the office without the necessity of waging a political campaign. Mr. Rogers' statement follows:

"I am humbly and sincerely grateful to my friends and constituents of the Sixth Congressional District for allowing me to become the democratic nominee for the Congress of the United States without opposition in the Democratic May Primary.

"This fact makes me very happy and it gives me encouragement in the type of representation that I have endeavored to give to my District, State and Nation. It makes it possible for me to devote all of my time and energies to the pressing national problems that are now facing our Nation for solution."

"I assure you that Service shall be my watchword; and Achievement my goal."

Lions Hear James M. Owens, Jr., Speak

"Our Obligation to Government" was the subject chosen by James M. Owens, Jr., mayor of Palm Beach and County tax assessor, in a talk before Pahokee Lions at their Tuesday luncheon meeting. The guest speaker was introduced by Frank Rozelle, program chairman.

The need of a Community Chest fund for the Pahokee-Canal Point area was brought to the attention of the Lions by O. R. Bleech, Rotary Club president, who in a brief talk asked the Lions to ap-

point a committee to work with committees from other civic groups in setting up a community chest organization.

The club voted to assist in keeping the Pahokee Day Nursery in operation.

President Jess Elliott announced a Lions Zone meeting to be held in Belle Glade on Sunday, Feb. 24, at 4 p. m. Local Lions will meet at the Lions Hall and leave for the zone meeting as a group at 3:30 p. m.

Rev. R. L. Flowers, evangelist from Texas who is conducting a revival at the Pahokee Methodist Church, spoke briefly. Other guests were Rev. T. A. Ferguson, Rev. C. A. Moberg, Arthur Larri-more, Robert M. Sanders, Slater

Brewton, Vance Denton and B. G. Pugh.

BOBBY JOE VISITS

Bobby Joe Sanders of Panama City is visiting in Pahokee this week. He will return today or tomorrow to the Wainwright Ship yard in Panama City where he is chief of the plant protection corps, including police and fire departments. Bobby Joe has about fifty men in his department.

THE INDEX

Industrialization of the South

Part I: Prewar Development

Recent war production accelerated Southern industrial expansion which had been proceeding at a faster pace than in the rest of the United States so that today the South, capitalizing upon its vast natural resources, is making rapid progress toward a better balanced economy that will benefit both the region and the Nation.

Throughout the South in recent years new industries have been emerging and older ones expanding. New rayon mills, chemical manufacturing establishments, pulp and paper plants, foundries, garment factories, rubber manufacturing plants and many similar establishments have sprung up in the South as the result of its natural advantages.

Part II: Wartime Expansion

Perhaps nowhere else in the United States did war change the industrial map so much as in the South. In many parts of the region, the industrial development of a generation was telescoped into a few years.

Southern manufacturing facilities were expanded by the expenditure during the period from July, 1940, through May, 1944, of \$4,775 million, of which more than \$1 billion were spent by private-enterprise.

Many of the smaller Southern war plants are already being converted to peacetime production, and the outlook for new factories and the expansion of existing facilities seems bright. Plans have already been reported, for example, for a \$6 million pulp mill, a \$2 million paint manufacturing plant, a \$1.5 million power plant and many smaller establishments.

On the whole, the continued industrial development of the South seems naturally and logically indicated. Its wealth of resources, its favorable climate, its ample power supply, and its other advantages may well make this region the new industrial frontier of the United States.

KEEP BUYING U. S. BONDS AND STAMPS

If you are interested in industrial plant sites or distribution facilities in the Southeast, we shall be glad to recommend suitable locations. Our research staff is also available for comprehensive studies with respect to industrial possibilities in our territory. Inquiries will receive prompt and confidential attention. J. M. ATLANTIC COAST LINE

SERVING AMERICA'S NEW FRONTIER

Auxiliary Groups Have Joint Meeting

Members of the American Legion Auxiliary, Fred and Percy Mansfield Post 90, met jointly with the Belle Glade Legion Auxiliary in the Pahokee Lions Hall Tuesday night to hear stimulating talks by Mrs. Polly Kirkpatrick, of Eustis, State American Legion Auxiliary president, and Mrs. A. J. Ryan of Dania, Fifth District president. Members of the Okeechobee Legion Auxiliary were also invited to attend the meeting but were unable to be present.

The speakers encouraged the auxiliaries of the Glades area to increase their membership and gave tentative outline of the work that lies ahead for the auxiliaries in assisting young veterans to become adjusted to civilian life. It was pointed out at the meeting that wives, mothers and sisters of veterans of both World War I and World War II are eligible and welcome to join the auxiliary.

Mrs. O. R. Blech, president of the local auxiliary, presided at the meeting and introduced the guest speakers. Refreshments were served to approximately 50 persons by Mrs. J. S. Chastain, Mrs. Loel Lence and Mrs. Sam McKinsty, Sr., hostesses.

Members of the Junior Boys Class of the Pahokee Methodist Sunday school enjoyed a party and outing given by their teacher, Dan Carpenter, at Fishcating Creek on Saturday. Mr. Carpenter was assisted in the entertaining by I. W. Weeks.

Mrs. W. P. Jernigan substituted as third grade teacher at the Pahokee Elementary School on Wednesday, replacing Mrs. H. L. Speer who was ill.

NOTICE OF DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership of Edwin E. Butler, New York, N. Y., Frank L. Anderson, Belle Glade, Fla. and Forrest Norton, South Bay, Fla. formerly doing business as South Bay Growers and Distributors at South Bay, Florida, which had been registered under the provisions of Chapter 20953, Laws of Florida, Acts of 1941 in the Court House at Palm Beach County Florida, was dissolved effective June 14, 1945, under our agreement for the dissolution of said partnership Edwin E. Butler received all assets and assumed all liabilities. This is official notice of that agreement.

All interested parties will take notice of this published notice.

NEW Gasoline!

POWER-PACKED

with

100-OCTANE COMPONENTS

The new Sinclair Gasoline is made to give your car the surging power that aviation gasoline gave to war planes.

The same 100-Octane gasoline components developed for war have now been blended into the new Sinclair Gasoline. That's why we believe you'll call this new and mighty gasoline the most power-packed fuel your motor has

ever had a chance to use. Stop in today at the Sinclair Dealer and fill up with the NEW Sinclair "H-C" or NEW Sinclair Ethyl. You'll find that the higher-octane, quicker-starting, power-packed, Sinclair Gasoline makes your car fairly fly.

Look to Sinclair for Better Products—Better Service.

Personal

(Mrs. G. B. Ramey, Phone 2082)

Mr. and Mrs. J. T. Mackey returned to their home in Leesburg, Ala., on Tuesday of this week after spending a few days in Pahokee with relatives. Arrangements were made to have The Everglades News visit the Mackey home in Alabama each week for the next year in order that they can keep up with what's going on in these parts.

Mr. and Mrs. J. S. Barwick are the proud parents of a daughter born on Feb. 2. Her name was reported as Virginia Irene and should have been printed Eugenia Irene.

David Ramey and his cousin, Keith Wallace, of Ames, Iowa, spent the weekend in Miami visiting Jerry Tillman, a former resident of Canal Point.

J. W. Mullis, who was recently discharged from the Army, has gone to West Palm Beach where he is now employed at the Table Supply Store.

Mr. and Mrs. J. B. Seckinger and daughter, Kay, returned to their home in Glennville, Ga., yesterday after visiting Mr. and Mrs. Paul Rardin in Canal Point. Mrs. Rardin is a niece of the Seckingers.

The Simonson-Lair Circle, Pahokee Methodist WSCS, is sched-

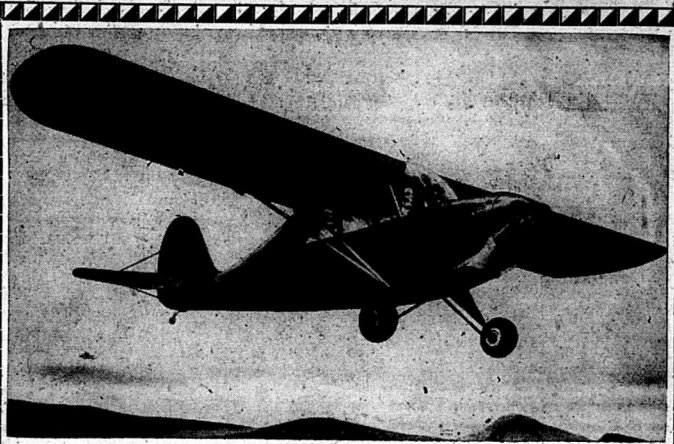

uled to meet at the home of Mrs. Arch Blakey on Monday at 3 p. m. Mr. and Mrs. E. L. Wallace and children returned to their home in Ames, Iowa on Wednesday after a week's visit with her brother and sister-in-law, Mr. and Mrs. G. B. Ramey, in Pahokee.

Mrs. Doyle Crocker and children of Delray Beach, former Pahokee residents, visited friends here the past week.

Marcia Jean Guthrie is ill with the measles at the home of her grandparents, Mr. and Mrs. I. S. Guthrie, this week.

PAHOKEE BAPTIST CHURCH

Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee, will present a special arrangement of "Ivory Palaces" on the Mathushek grand piano, Sunday morning at the eleven o'clock service. Continuing the series of sermons on "The Sermon on the Mount," Math. 5:33-37 will be considered. The Class Quartet will sing. The congregation will meet with the First Methodist brethren at 7:30 in their revival meeting now in progress. March will be "Visual Education Month". Each Wednesday in connection with the prayer service, a film will be presented such as "The Autobiography of a Tract", "Choosing Rather", closing with "The Romance of a Century", the story of the 100 years of the Southern Baptist Convention. The church plans to make this an integral part of its future program of "Going into all the world with the Gospel."

HANDLE WITH CARE

We're working mighty hard these days on a big job we've got to deliver—our \$300,000,000 expansion program. It's an all embracing program that will provide better telephone service and telephones for all who want them.

The job ahead of us is one that must be handled with care. The vast sum of money involved places a heavy responsibility on both management and employees. It will be spent wisely and cautiously and with the same care that has always characterized your Telephone Company's operations.

There is also the responsibility of maintaining adequate earnings so that the funds needed to build more telephone facilities can be secured. The money will have to come, as it has in the past, from thrifty people putting their hard earned cash in the Telephone Company. But unless they have confidence in the safety of their investment and feel assured of a reasonable return on that investment, new funds for future telephone expansion will not be forthcoming.

So it is easy to see that telephone earnings have a direct bearing on the future of telephone service.
